

Employment and Social Affairs Platform 2

Improving effectiveness of Labour Inspectorates in addressing undeclared work in the Western Balkans

14 December 2020, Online

Background

The workshop “Improving effectiveness of Labour Inspectorates in addressing undeclared work in the Western Balkans” is organized in the framework of “Employment and Social Affairs Platform 2” (ESAP 2) project funded by the European Union and implemented by the International Labour Organization (ILO) in the Western Balkans.

The primary objective for ESAP 2’s Labour Inspection Component is to increase capacities and outreach of Labour Inspectorates to prevent and combat undeclared work. This goal will be achieved through improved regional exchange of the labour inspection systems and practices.
