DCM No.187, DATED 02.04.2014**

- “On the amount of funding, the criteria and procedures for the implementation of professional practice programs for unemployed jobseekers who have completed university education in our country or abroad”

Implementing the Program

4

- DCM 873, the first year of implementation 2007
- Piloting for the first time at the Tirana Employment Office.
- Then, implementation at all Employment offices.

Targeting and duration

5

Targeting of beneficiaries

- Have completed higher education, at home or abroad;
- They have less than 24 months that have completed these studies,
- Are registered at employment offices

Benefits

Unemployed jobseekers benefit throughout the period of professional practice:

- 100 % financing of the basic unemployment wage rate (12,000 Lek / month)
- Contribution for work accident insurance to 0.3% of the minimum wage, as defined by social security legislation..

Amendments to DCM 873

7

- By 2014, private employers participating in the program benefited from a monthly funding of 100% of the basic level of unemployment benefit for each practitioner.
- With the amendment of DCM 187, dated 02.04.2014, this benefit was abolished.
- After this year, the participating entities were more public institutions.

Vlora

Data from the evaluation

11

- From the evaluation of programs, employment in subjects where professional practice is performed is lower compared to other programs.
- Practice serves as a certified work experience.
- This practice can serve for their employment.

THANK YOU!
