4. Presentation of the planned activities under ESAP2.

# Agenda – Day 1

1. **Results and lessons learned** from implementation of labour inspection campaigns – **Albania, Montenegro and Bosnia and Herzegovina**
2. **Transition from informality to formality** – the ILO approach
3. **Bosnia and Herzegovina** - Tackling informality through social partnership
4. **Republic of North Macedonia** - National Action Plan
5. Integrating the Western Balkans into the **EU Labour Inspection networks**
6. **Signing ceremony of the Memorandum of Understanding**

# Agenda – Day 2

- 1. Informal employment and undeclared work in the Western Balkans**
- 2. Serbia** – experiences in tackling undeclared work
- 3. Bosnia and Herzegovina** – experiences in tackling undeclared work
- 4. Looking into the future** – continuation of ESAP

# ESAP 2

## **‘Employment and Social Affairs Platform’ project continuation - expectations:**

1. Start in November 2019 – run for 3 years.
2. Jointly implemented by ILO and RCC.
  1. Overall budget 5 MEUR.

# Components - Objectives

## **Component 1 – Informal Employment and Undeclared work**

Improved policies for tackling undeclared work through by use of holistic approaches

## **Component 2 – Labour Inspection**

Increased outreach of Labour Inspectorates to prevent and combat undeclared work

# Component 1

## R1: Establishment of a **Western Balkan Network Tackling Undeclared work** .... Link to the **Western Balkan Network of Labour Inspectorates**

- ✓ Consultations with WB6 on the mandate and objectives for the Network.
- ✓ WB6 to select members including MoL, Labour inspectorates, Tax administrations, PES and SP.
- ✓ Biannual regular network meetings, workshops and seminars.

# Component 1

**R2:** Implementation of a holistic approach to **innovative policy development** through **mutual assistance projects**.

- ✓ Provision of assistance to implement selected recommendations for transition from informality to formality.
- ✓ Organise national seminars and regional thematic workshop.

**R3:** Improved evidence through **testing different interventions** combatting informality.

- ✓ WB6 to select intervention packages – pilot projects.
- ✓ Establish baseline surveys before testing.
- ✓ Implement in cooperation with relevant actors.
- ✓ Conduct follow up survey.
- ✓ Disseminate results and facilitate policy dialogue on informal employment and undeclared work, including in ESCs.

# Component 1

**R4:** Improved availability and quality of data on informal employment in WB6

- ✓ Train and advice statistical offices and MoL on collecting and processing data on informality – which will include cooperation with Labour Inspectorates
